All,

A lot of encampments along the river have not received the attention that they normally would due to the inordinate amount of rain that we have received. Once the river beds dry out enough to get the trucks into the places where they need to be, especially in the Pacoima Wash, we should be able to play a little catch up and get back to where we need to be.

Thanks, Emada. I actually don't have the photos. They weren't attached to Allan's initial email to me. I'll see if I can get them on a separate chain.

Hi Brian,

Thank You for the information. It looks like this inquiry may be something that Gita can respond to. Our HOPE Teams will continue to conduct outreach with the City Wide River teams, the LAPD Off Road Team and LAHSA. The photos did not come through, are you able to send them in a separate E Mail?

Take Care,

Emada
